

Save the Date for your Members

Join thousands of others in the green industry on April 20, 2012 for the fourth annual PLANET Day of Service. With your help we can leave a lasting footprint for our industry. You will also:

- Revitalize the places where people live, work, and play.
- Demonstrate goodwill and environmental stewardship.
- Be recognized for leadership in community service.
- Foster teamwork among your comrades.
- Show your commitment to a great cause.

Register your project at planetdayofservice.org. For your convenience this web site provides you with a planning guide that will help you with ideas and walk you through the different steps needed to help you get your project started. Be sure to check out [pictures](#) and [videos](#) from this remarkable event, and start planning today!
